16th September, 1915

The President,
University of Toronto.

Dear Mr. President.

In reference to our conversation this afternoon I have ascertained that the cost of re-sodding the centre portion of the Athletic Field would be approximately One Thousand Dollars, ($1000.00) viz. 7150 sq. yds at 14¢.

Our actual profits from the operation of the Stadium Rink last winter amounted to $2398.26.

The caretaker at the Stadium is paid at the rate of $16.00 per week. I presume that this too would be a proper charge, if the Stadium is required by the military authorities

Faithfully Yours,

T. A. Reed.
Secretary.
